Say You Won't Let Go by James Arthur

I _____ you in the dark, you lit me up

You _____ me feel as though I was enough

We _____ the night away, we drank too much

I _____ your hair back when you were throwing up.

Then you _____ over your shoulder

For a minute, I _____ stone-cold sober

I _____ you closer to my chest

And you _____ me to stay over

I said, I already told ya I think that you should get some rest.

I knew I _____ you then but you'd never know

'Cause I _____ it cool when I was scared of letting go

I know I needed you but I never _____

But I wanna stay with you until we're grey and old

Just say you won't let go, Just say you won't let go

I'll _____ you up with some breakfast in bed

I'll _____ you coffee with a kiss on your head

And I'll _____ the kids to school, wave them goodbye

And I'll thank my lucky stars for that night
