GOOD CITIZENS

VOCABULARY PRACTICE

-Pablo is talking about the people he met and the places he went during his day. Complete the sentences with the correct word taken from the list.

NEIGHBOUR – HOMELESS SHELTER – ANIMAL SHELTER – CLASSMATE – STRANGER – ENVIRONMENTAL ORGANIZATION

Hi everyone! My name is Pablo. Today, I had an interesting day. First, I woke up late to go to school! I was incredibly nervous. Fortunately, when I left my house, a _____ saw me in a hurry and offered to give me a ride. When I arrive school my _____ asked me If I could help him with his homework, so I did it. After school, I was walking in the park on the way home and I found a homeless and starving puppy. I decided to help the dog, so I took it to an _____ _____.

When we arrived there, the owners of the refugee were so grateful that they offered me to help in an _____ _____ to promote environmental care. Of course, I said yes! Finally, when I arrived home, I met a _____ sitting in the sidewalk and asking for food or money. The poor man was starving. I gave him some food, clothes and also, I gave him a brochure about a _____ _____ which was only ten blocks away. As you can see, I had a great day because helping people made me feel a good citizen. Can you think what other thinks can we do to help people?
