My name is Lorenzo and I'm a lifeguard. I'm from Italy but I live here in Miami. I really love my job because I save people's lives every day. It is nice to know that my job is important to keep people safe while they have fun at the beach.

I work from Tuesday to Saturday, from 9am to 5pm. I rest two Sundays a month. My friends think that my job is really hard but I'm happy to be here. I also give people some advice to protect them from being sunburned or injured at the beach.

In my free time, I go to the cinema with my wife, Sara. She loves romantic movies. We always watch series on TV at night. After that, we talk about our day at the beach. She is also a lifeguard and we work together! That's awesome!
