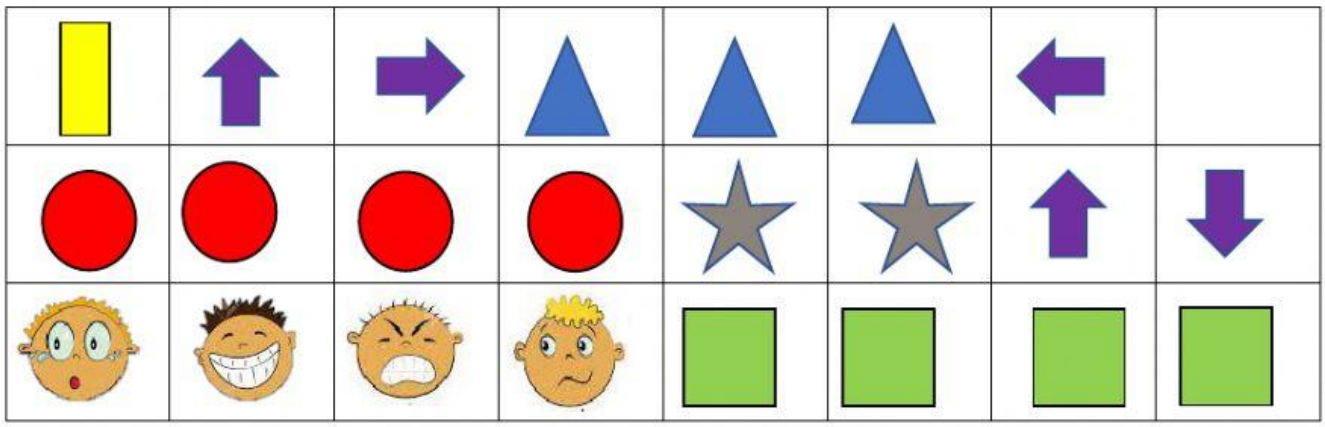
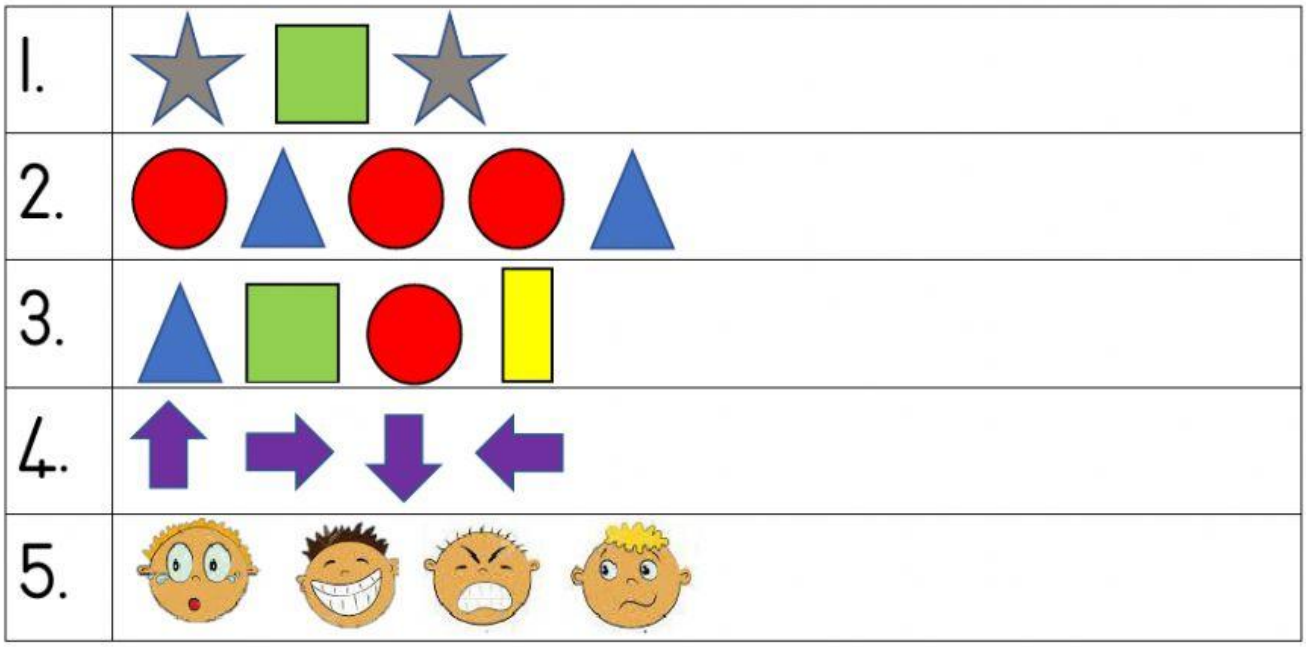
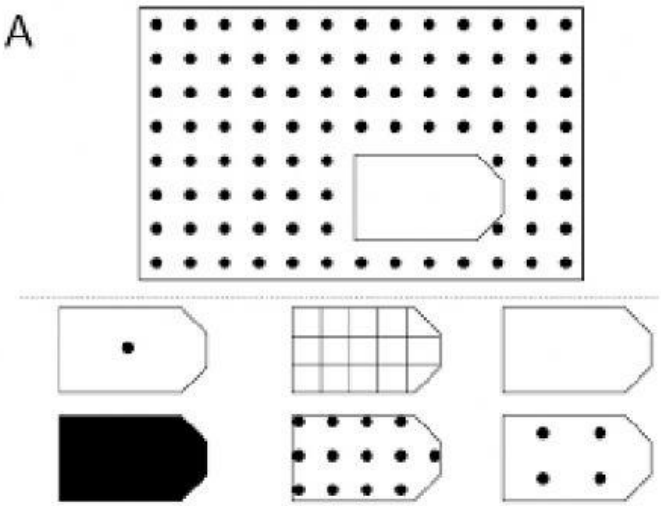
Lindopark Primary: Term 2 Week 5: Mathematics: Home-test: Friday

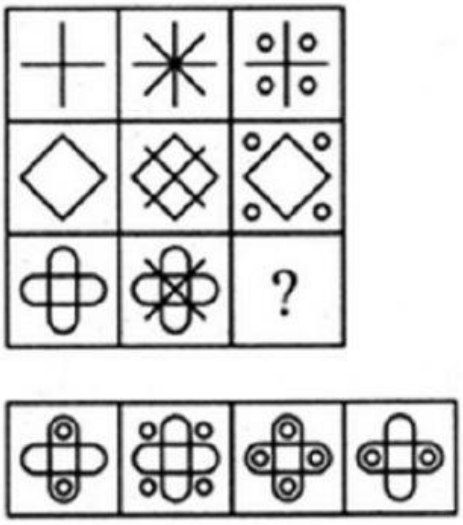
1. Look at the following patterns use the shapes by dragging them to the correct place, to complete the pattern

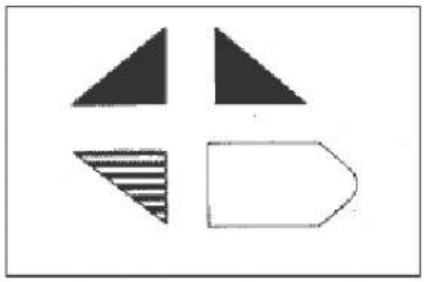


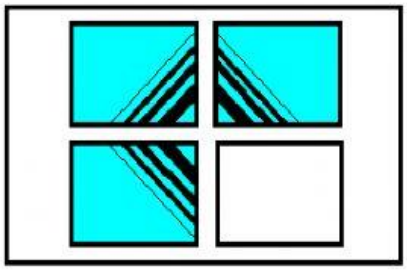


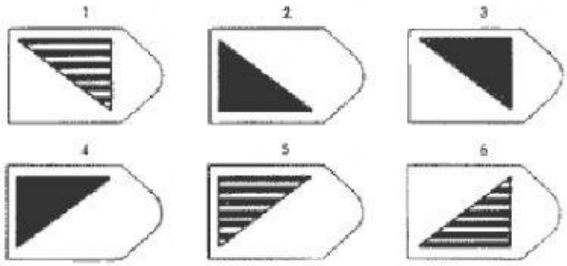
2. Look at the following pattern, find the missing piece by selecting it.

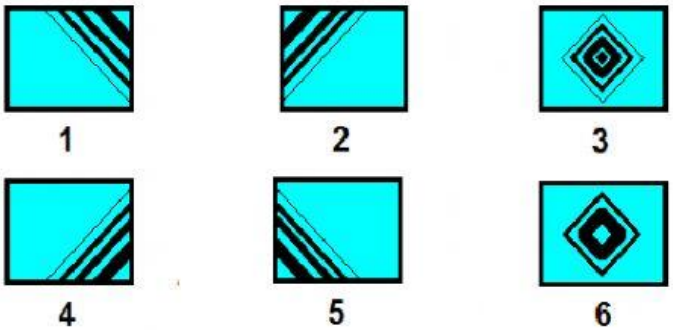




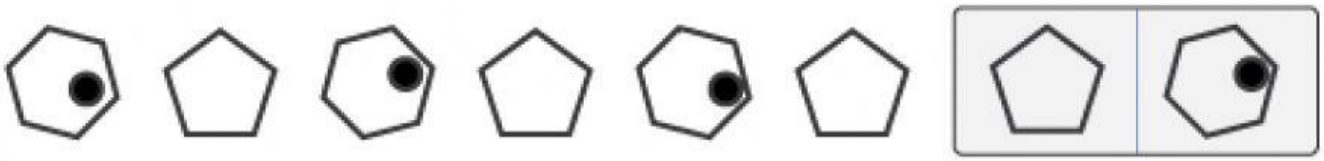








3. Choose the figure (shape) that should come next in each pattern.



2. Calculate the following using the breaking up method

245 + 244 =

		H		T		U
	=		+		+	
	=		+		+	
	=		+		+	

888 - 444 =

		H		T		U
	=		+		+	
	=		+		+	
	=		+		+	

Tell how each figure was moved. Write, **flip, slide or turn**.
