He sings all day long!

She works all the long!

Why are you carrying all this food?

I'm storing for winter!

Come on! Let's sing and have some fun!

I need to store food for the long winter!

Oh no!
He should work too!

I´m ready for the winter

It´s cold and I´m hungry!
Please, help me!

Oh no! You only sing and play. Go away!

It´s very cold outside!
I need to help him!

Oh poor little thing!

Eat some food my friend!

Thank you so much!

I learned an important lesson!

There´s time to sing and time to work!

And they lived happily after! THE END.
