FIREWORK **KATY PERRY**

Do you ever feel like a plastic _____
Drifting through the wind, wanting to start again?
Do you ever feel, feel so _____ thin
Like a house of cards, one blow from cavin' in?
Do you ever _____ already buried deep?
Six feet under screams, but no one seems to hear a thing
Do you know that there's still a chance for you?
'Cause there's a spark in you

You just gotta ignite the _____
And let it shine
Just own the night
Like the Fourth of July
'Cause baby, you're a _____
Come on, show them what you're worth
Make them go, "Oh, oh, oh"
As you shoot across the sky
Baby, you're a firework
Come on, let your _____ burst
Make them go, "Oh, oh, oh"
You're gonna leave them all in awe, awe, awe

You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a _____
Maybe a reason why all the doors are closed
So you could open one that leads you to the perfect _____
Like a lighting bolt your heart will glow
And when it´s time you´ll know

You just gotta ignite the light…

Boom, boom, boom
Even brighter than the moon, moon, moon
It's _____ been inside of you, you, you
And now it's time to let it through

'Cause baby, you're a firework
Come on, show them what you're worth
Make them go, "Oh, oh, oh"
As you shoot across the _____
Baby, you're a firework…
