Joanna's first boyfriend

I remember my first boyfriend very well! He was the older brother of my best friend Anna. His name was Marco and he was wonderful. He was tall with dark curly hair and green eyes. All the girls loved him, but he wanted to be with me!

Our first date was on 24 June, just before the start of the summer holidays. We went to a party on the beach. It was fantastic. We danced all night and had a really good time.

During the holidays we did a lot of things together – we went to the cinema, played tennis, went for long romantic walks, cooked special meals and saw some of our friends. Anna often came with us too. It was the perfect summer!

But in the autumn, Marco went to university. He left our town and moved to Rome where he met another girl. I was very unhappy for a long time, but after a while I also met another boy. But I never forgot Marco!
