STRESSED OUT

candle	days	fly	homes	money	names	pretend	sleep	sounds	think	time

I wish I found some better (1)_____ no one's ever heard
I wish I had a better voice that sang some better words
I wish I found some chords in an order that is new
I wish I didn't have to rhyme every (2)_____ I sang
I was told when I get older all my fears would shrink
But now I'm insecure and I care what people think

CHORUS:

My name's Blurryface and I care what you (3)_____
My name's Blurryface and I care what you think

Wish we could turn back time, to the good old (4)_____
When our momma sang us to sleep but now we're stressed out
(Oh) Wish we could turn back time (oh), to the good old days (oh)
When our momma sang us to (5)_____ but now we're stressed out
We're stressed out

Sometimes a certain smell will take me back to when I was young
How come I'm never able to identify where it's coming from
I'd make a (6)_____ out of it if I ever found it
Try to sell it, never sell out of it, I'd probably only sell one
It'd be to my brother, 'cause we have the same nose
Same clothes, homegrown, a stone's throw from a creek we used to roam
But it would remind us of when nothing really mattered
Out of student loans and tree-house (7)_____ we all would take the latter

CHORUS

We used to play pretend, give each other different (8)____
We would build a rocket ship and then we'd fly it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money, " yeah
We used to play (9)_____, give each other different names
We would build a rocket ship and then we'd fly it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money, " yeah

CHORUS

Used to play pretend, used to play pretend, money
We used to play pretend, wake up, you need the (10)____

Used to play pretend, used to play pretend, money
We used to play pretend, wake up, you need the money
Used to play pretend, give each other different names
We would build a rocket ship and then we'd (11)_____ it far away
Used to dream of outer space but now they're laughing at our face
Saying, "Wake up, you need to make money, " yeah
