## Useful words!

**To remember!!!**

**Forming NOUNS that refer to people using suffixes –er, -or, and –ist.**

**Word building from adjectives/verbs to NOUNS adding the suffix –ness or -ity or have irregular formation.**

1-Read the following brochure about vacations and fill in the blanks with the corresponding word.

This offer is available for _____(teach),_____(report) and _____(art) who enjoy outdoor activities!

Make a _____ (different) in your vacation!

If you're looking for good beaches, they are not _____(danger) then I'd recommend those in the south–east of this country. There are many to choose from, and they're all top quality. As well as having lovely soft sand, they're extremely clean and the water is so clear you can see hundreds of colorful fish as you swim in the warm sea or you can practice scuba diving, an _____(instruct) could guide you . What could be _____(good) than that? There's also plenty to see and do in the surrounding area. One idea is to hire a car and drive up into the nearby mountains, where there are lots of _____(interest) medieval villages to visit. Make sure you go on a day when there's a craft market – the local pottery is fantastic. Or else you could take a boat trip round one of the islands and see the seals and seabirds... This could be the most _____(excite) experience you have ever had. It is a great _____(possible).

2-You want to win a free-ticket to go to Australia on vacation. You are taking part in an online contest on how much you know about words related to traveling. Read the sentences and click on the best option. Let's give it a try!
