but | after | because | Then

Everyone in my family likes to take part in the household chores. _____, we all wake up early in the morning and make our own beds. _____, we have breakfast together. My sister loves milk and cereal, _____ I prefer fruit and juice. _____ we join our Zoom meetings from school and our parents go to work. When it's lunchtime, my parents take turns to cook. My sister always lays the table _____ the food is ready and I wash up _____ we finish eating. Today, so far, we have done our homework and we have vacuumed the floor, _____ we can play for a little bit. My mum is going to the supermarket later today, so we will help her put away the shopping. We like helping each other _____ we love spending time together!

After that | before | First of all | so
