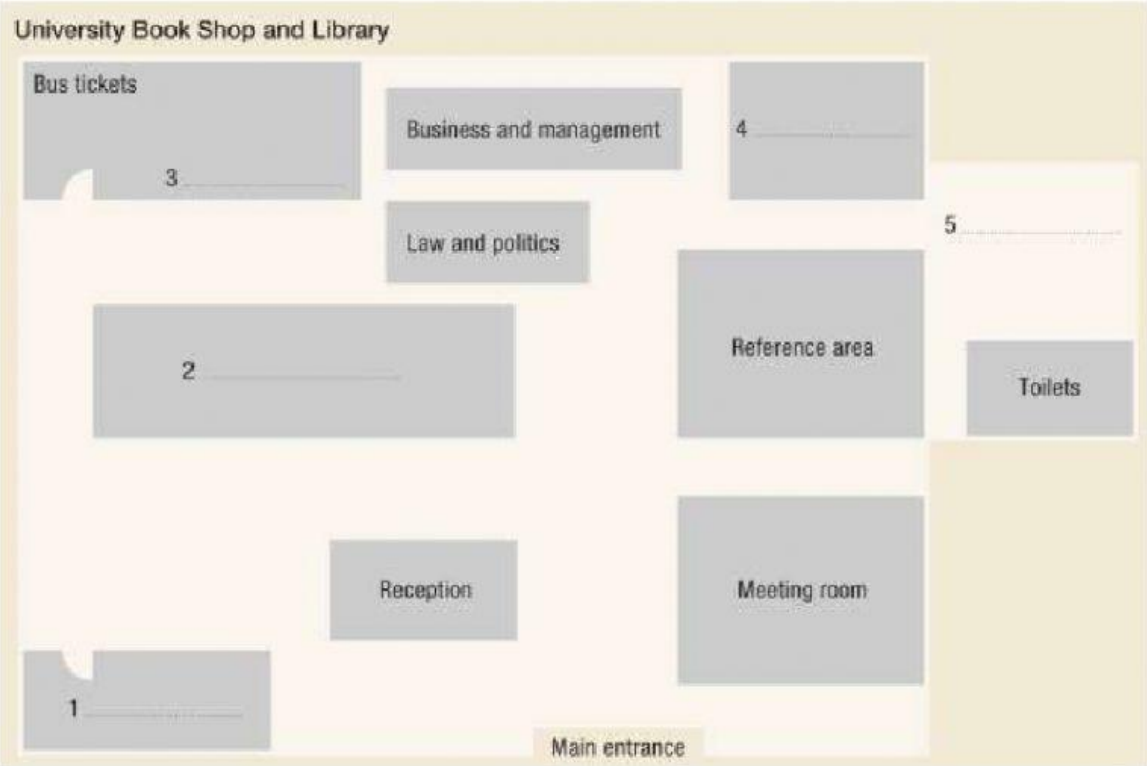
Exercise 7

Read the information. Then listen and write the correct letters, A–H.

In map labelling tasks, distractors might be places shown on the map or plan that are not mentioned in the recording, or places that are mentioned but are not correct. Use the information already provided to help orientate yourself on the map. Predict where you will start and end, and remember that the questions will be heard in order.



LIVEWORKSHEETS

A Coffee shop	**B** International languages information	**C** Local interest	**D** Tourist
E Multimedia centre	**F** Accommodation office	**G** Gift shop	**H** Second-hand books

1. _____
2. _____
