"Vienna"

Ben Platt

Slow you crazy child

You're so for juvenile

But then if you're so tell me,

Why are you still so afraid?

the fire, what's the about?

You better before you out

You got so much to do and only

So many in a day

But you know that when told

That you can get want

Or you can just old

You're gonna kick before you even get through

When will you realize... Vienna waits for you?

Slow you're doing fine

You be everything you want to be time

it's so romantic on the tonight

, but it's the life you lead

You're so yourself that you what you need

you can see when you're wrong

You know you always see when you're right

You got your passion, you your pride

But don't you that only are satisfied?

, but don't imagine come true

When will you realize... Vienna waits for you?

Slow you crazy child

Take the phone off the hook and for a while

It's alright, you can to lose a day or two

When will you realize... Vienna waits for you?
