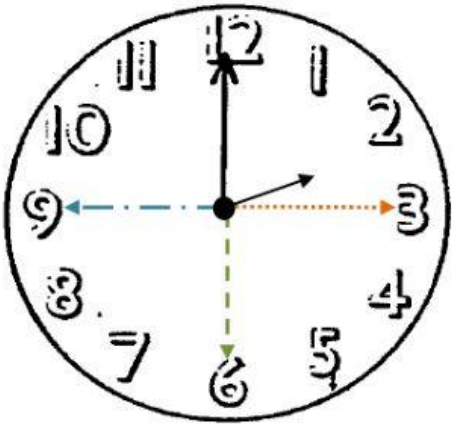
What time is it?

Pay attention to this clock:

It's two o'clock

It's a quarter to three
(2:45)



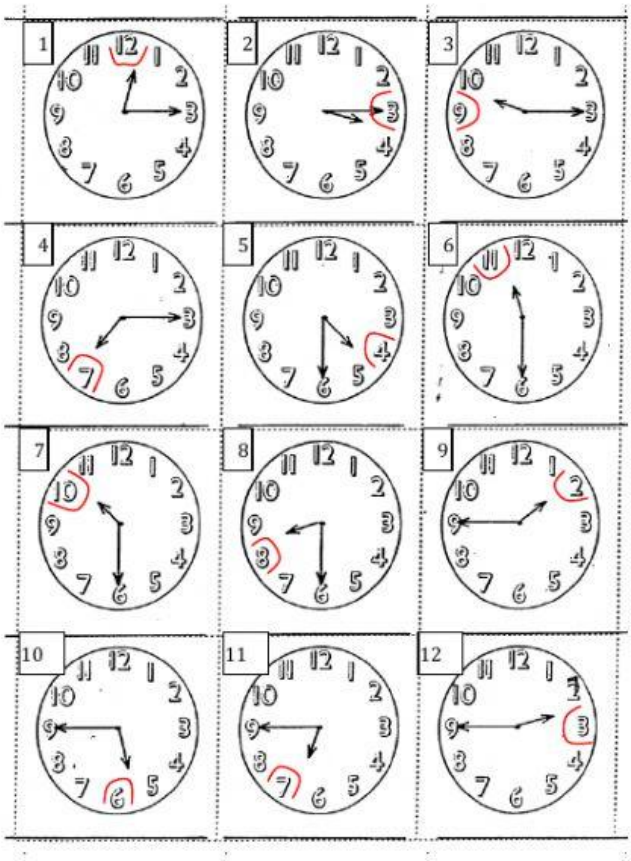
It's a quarter past two
(2:15)

It's half past two
(2:30)

1. **Now choose the correct time for each clock:**

LIVEWORKSHEETS

2. Write the time for the following clocks:



1 *It's a quarter past twelve*

2 _____

3 _____

4 _____

5 *It's half past four*

6 _____

7 _____

8 _____

9 *It's a quarter to two*

10 _____

11 _____

12 _____

3. Match the clocks with the times. There is an extra time that you don't need.

	It's a quarter to seven It's a quarter to twelve It's a quarter past seven	
	It's a quarter past eleven It's half past seven It's a quarter to twelve	
	It's twenty past five It's three o'clock It's half past four
