Draw lines to the correct answer that tells what happened when Howard didn't listen.

1. When Howard B. Wigglebottom, was bouncing too close to the fan …….	He did not listen, and as a result he got hit in the eye with the baseball.
2. When Howard's teammates told him to keep his eyes on the ball Howard ……	Howard did not listen and the got paint all over his classmate's face and body.
3. When the teacher said that the kids should try to keep the paint on their paper …	Howard did not listen, and he slipped on the banana peel and the food from his lunch tray spilled everywhere.
4. When Howard's friends told him to watch his steps and he refused to listen.	Howard did not listen and his ears got jammed in the ceiling fan and he got really twisted up.
