MY WEEKEND

Hello, everyone. My name is Landy and I want to share with you what I did on my weekend.

I woke up at 8:30 am, I brushed my teeth, then I took breakfast with my family. After that, I swept the house, took a shower, and get dressed, then, to be honest, I really preferred to lay in bed and watched my favorite movie because I just wanted to relax after a busy week at work. In the afternoon I went with my siblings to eat pizza and when we returned home, I brushed my teeth again and I went to sleep.
