NAME _____ QUARTER _____

GRADE & SECTION _____ DATE _____

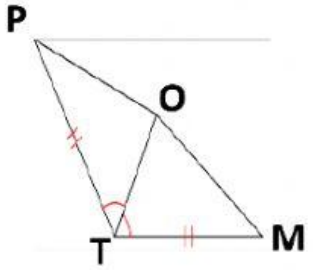
Activity: **Proving Triangles are Congruent (SAS)**

Complete the two-column proof to prove that the triangles are congruent.

Given

$\overline{PT} \cong \overline{MT}$

$\angle OTP \cong \angle OTM$



Prove that

$\Delta OTP \cong \Delta OTM$

Statement	Reason
(1) _____	Given
$\angle OTP \cong \angle OTM$	(2) _____
(3) $\overline{OT} \cong$ _____	(4) _____
$\Delta OTP \cong \Delta OTM$	(5) _____

Need help!

Just OK!

Splendid

How well did you do?

I FEEL THAT:

_____

_____
