15. _____

It's cold and I've nowhere to sleep

Is there somewhere you can tell me?"

"Sir, can you help me?

She calls out to the man on the street

He pretends he can't hear her

Seems embarrassed to be there

He walks on, doesn't look back

Starts to whistle as he crosses the street

Just think about it

Oh think twice, cause it's another day for you

You and me in paradise

Oh lord, there must be something you can say

She's got blisters on the soles of her feet

She can't walk but she's trying

He can see she's been crying
