SCOOBY, THE ENVIRONMENTALIST

Scooby is worried about the environment. He has a lot of animal friends and many of them are in danger of extinction. So, he wants to help.

Read the text and choose the correct option.

There are many environmental problems in the world today. Global warming and [1]_____ are among the most serious environmental issues people are facing. These problems seriously affect humans in many [2]_____ ways. However, many plant and animal species are being affected as well.

Many animals are losing their homes because of [3]_____. Beaches are being polluted and ice is [4]_____ because of global warming. All of these factors threaten animal habitats and make it difficult for many species to survive in the [5]_____ future.

Fortunately, there are solutions to many of these problems. If we plant trees and [6]_____ paper, we will save the forests which are home to many plants and animals. We can also clean up beaches that are full of rubbish and help protect different species of fish and sea birds [7]_____ too long. If all human beings stop throwing away [8]_____ in public places, the world will definitely become a cleaner place.

By helping even just a little, we can [9]_____ many species of plants and animals and keep them from becoming [10]_____ or extinct.
