LISTENING

1. Listen and find the right partner

- When I was six years old, I saw in a book about the virgin jungle entitled "Lived stories" — 1
- It represented a boa snake that swallowed a beast. — 2
- I reflected a lot at that time on the adventures of the jungle. — 3
- I showed my artwork to older people and asked if they were scared of my drawing. — 4
- It represented a boa snake that digests an elephant. — 5
- Older people advised me to abandon the drawing of boa's snakes. — 6
- I had been disappointed for the failure of my drawings number 1 and number 2. — 7
- I had to choose another trade and I learned to fly planes. — 8
- I lived a lot with older people. — 9
- I wanted to know if it really was a be understanding. — 10
