Say how each picture shows the way diseases are transmitted. Write your answer in the block under the picture.

LET'S THINK!!

Read the sentences. Say if each statement will stop transmitting diseases. Say if each one is TRUE (T) or FALSE (F)

- We must wash our hands when we are sick. ☐
- We should cover our mouths when we cough or sneeze. ☐
- It does not matter if our food or water is clean. ☐
- We should take our pets to the doctor often. ☐
- We can hug and shake hands even if we are sick. ☐
