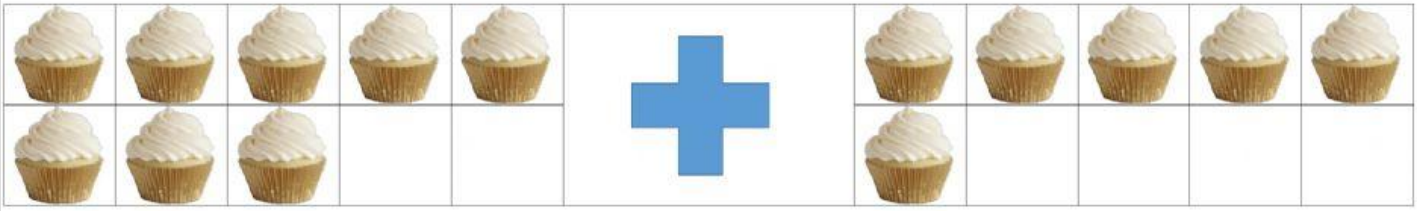
# November 10 Level 2 Math Problem

**Today is National Cupcake Day!**

**1. Add the Vanilla cupcakes.**

8 + 6



| | | |
|---|---|---|
| 15 | 10 | 14 |

**2. I baked 20 cupcakes. I already decorated 12 of them. How many cupcakes do I still need to decorate?**

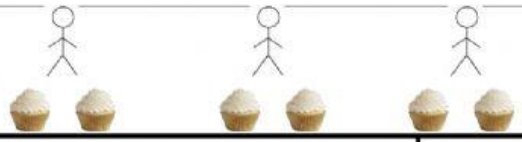
| | | |
|---|---|---|
| 12 | 8 | 20 |

**3. I need to make 3 batches of cupcakes for a birthday party. There are 12 cupcakes in 1 batch. How many cupcakes will I make altogether?**

| | | |
|---|---|---|
| 12 | 36 | 24 |

**4. I have 6 cupcakes. I want to divide them evenly among my 3 friends. How many cupcakes will each friend get?**

6 ÷ 3



| | | |
|---|---|---|
| 2 | 3 | 6 |
