"When We Were Young"
By Adele

Everybody loves the things _____
From the way you talk to
_____
Everybody here is
_____
'Cause you feel like home
You're like a
_____

But if by chance you're here alone
Can I have a moment _____?
'Cause I've been by myself all night long
Hoping you're someone I used to know

You look _____
You sound _____
My God, this reminds me
Of when _____

Let me photograph you
_____
In case it is the last time
That we might be exactly
_____
Before we realized
We were sad of getting old
It made us restless

It was just _____
It was _____

I was so scared to face my fears
Nobody told me that you'd be here
And I swear you moved overseas
That's what you said, when you left me

You still look _____
You still sound _____

My God, this reminds me
Of when _____

Let me photograph you
_____
In case it is the last time
That we might be exactly
_____
Before we realized
We were sad of getting old
It made us restless

It's hard to admit that
Everything just takes me back
To when _____
To when _____
And a part of me keeps holding on
Just in case it hasn't gone
I guess I still care
Do you still care?
