Hello

By: Adele

Hello, it's me, I was wondering
If _____ all these years you'd like to meet to go over _____
They say that time's supposed to heal, yeah
But I ain't done much healing

Hello, can you _____ me?
I'm in California dreaming about who we used to be
When we were _____ and _____
I've _____ how it felt before the world fell at our feet

There's such a difference _____ us
And a _____ miles

Hello from the other side
I must've _____ a thousand times
To tell you I'm _____, for everything that I've _____
But when I call you never seem to be home

Hello from the outside
At least I can say that I've tried
To tell you I'm sorry, for breaking your _____
But it don't matter, it clearly doesn't tear you apart _____

Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're _____
Did you ever make it out of that town where nothing ever happened?

It's no _____
That the both of us are running out of time

So hello from the _____ side
I must've called a thousand times
To tell you I'm sorry, for _____ that I've done
But when I call you never seem to be home

Hello from the outside
At least I can say that I've _____
To tell you I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore

Ooh, anymore
Ooh, anymore
Ooh, anymore

Hello

To _____ you I'm sorry, for everything that I've done
But _____ I call you never seem to be home

Hello from the outside
At least I can say that I've tried
To tell you I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
