Riding the School Bus

I ride the school .

It is important to be on the bus.

I will to my seat. I will and stay in my spot.

If I need help, I will ask the for help.

When it is time to get off the bus, I will walk off the bus.

To be safe on the bus, I need to:

- Sit
- Use manners
- Have nice hands and feet
- Listen
-
- Keep the aisles clear

Everyone is when I am safe on the bus.
