My favourite band is The Blue Bananas. They play pop music. There are four members of the band: Grace Blue, Fraser Castle, Luke Castle and Matt Bedding. My favourite band member is Grace Blue. She's the lead singer. Fraser plays the bass guitar. Luke plays the violin, the cello, the keyboard and the piano. Matt plays the drums.

The Blue Bananas often perform at concerts. They always play at the Purple Pop Festival. I listen to them on my phone, my CD player and my tablet. I sometimes watch their music videos on my computer, too.
