My last/past made me feel like I would never try again

But when I saw you, I felt something I never/ever felt

Come closer, I'll give/be you all my love

If you treat/beat me right, baby, I'll give you everything

My last made me feel like I would never try back/again

But when/well I saw you, I felt something I never felt

Come closer, I'll give you all my love

If you treat me bad/right, baby, I'll give you everything

Talk to me, I need/breath to hear you need me like I need ya
Fall/call for me, I wanna know you feel how I feel for you, love
Before you, baby, I was down/numb, drowned out pain by pouring up
Speeding fast on the run, never want to get caught up
Now you the one that I'm calling/falling
Swore that I'd never fall again, don't think I'm just talking
I think I might go all in, no exceptions, girl, I need…
