Drag the words to the correct places.

The Garden Song (John Denver)

Garden Song is in "J.D." 1979 album, that was re-released on CD in 2000.

Inch by _____, row by _____
Gonna make this _____ grow
All it takes is a _____and a _____
And a piece of fertile _____.

Inch by inch, row by row
Someone bless these _____ I sow
Someone warm them from below
Till the _____ comes tumblin' down

Pullin' _____ and pickin' _____
Man is made of _____ and _____
Feel the need to _____ my own
'Cause the time is close at hand

Rainful rain, _____ and _____
Find my way in nature's _____
Tune my body and my brain
To the music from the _____

_____ your rows straight and long
Temper them with prayer and song
Mother _____ will make you strong
If you give her _____ and _____

Old crow watchin' hungrily
From his perch in yonder _____
In my garden I'm as free
As that feathered thief up there.
