YEAR 5

Unit 3

"At the castle"

1 **Read and underline the six materials.**

Fact file

Name: Leonardo da Vinci
Born: 15th April 1452, Italy

Leonardo da Vinci was an Italian painter and a sculptor. He was from a little village in Tuscany. He was a student of a famous artist in Florence when he was young.

Leonardo da Vinci was interested in lots of different materials, like chalk, canvas, coloured pencils and paint. He uses chalk in this painting.

When he was old, Leonardo da Vinci was in France and he was also an inventor. He was excited about flying machines and he was the inventor of the first helicopter! In this painting he uses pens and ink.
