CAMPING

In summer my family will go camping in the countryside.

We will all have rucksacks. I will take my sunglasses because the sun is bright. I will take my raincoat, too, in case it rains. _____ will take a compass in case we get lost. And mother will take a first-aid kit in case somebody gets injured. But I hope it won't happen.

In the evening we will make a campfire and sit around it. _____ will tell us interesting stories. We will sleep outside in a tent. I have got a brand new sleeping bag!

The countryside in summer is so beautiful!
