The perfect house is a place where a person feels safe not _____ from the elements but _____ from all the worries and troubles _____ the outside world. I can confidently _____ that I am a happy owner of a house where I feel relaxed and confident and where I want to spend as _____ time as I can. I do like going out and visiting new places, but only at home I can be completely _____ and comfortable.

My house has a _____ red roof and beige walls, as well as brown wooden windows that can be opened wide on sunny days. I especially love the window in the living room as it _____ the street where large old _____ trees grow. The house has only three bedrooms, one living room, one kitchen, and one bathroom. However, all rooms _____ for one bedroom are spacious and filled _____ natural light. I love windows facing the sunny side, and I cannot even imagine _____ people can live in dark, _____ apartments with limited natural light. We also have the small garage on the left side of the house, and my father likes to _____ it his office.

The house is surrounded _____ the green lawn _____ my father cuts and waters regularly. My mother, _____ turn, is fond of gardening, so we have many roses on both sides of the patio. The territory is also surrounded by the fence, which mainly has a decorative purpose.

As for the interior, my house has _____ exceptional. However, my mother managed to _____ this place special. We have many high-quality, comfortable pieces of furniture, _____ as the large brown leather couch in the cosy living room, a soft white carpet in my bedroom, _____ an amazing wooden table in the kitchen that I love the most.

Surprisingly, our house does not _____ like the jungle despite the numerous house plants. I love days when the sun is shining into the window, and the leaves _____ glowing with this deep green color. It feels like the house is _____ of the outside world, only more peaceful and comfortable.
