IELTS Speaking part 2: Describe a skill that takes a long time to learn

Today I'm going to talk about a skill that takes a long time to learn, which is the playing instrument skill. Specifically, here, I have the bass guitar. I originally started playing instruments by playing the actual guitar here as you can see.

And then I slowly moved on to bass which I really love. But it's not a very easy instrument to play. As you can see the string is really thick, so for a girl's hand which is this little, it was really painful starting it, and then it took me a really long time to slowly get used to it.
