'Cause this is thriller, thriller night

From the beast about to _____
You know it's thriller, thriller night
You're fighting for your _____

And wonder if you'll ever see the _____

You close your eyes
And hope that this is just _____
Girl but all the while
You hear a creature creeping up _____
You're out of time

'Cause this is thriller, thriller night (repeat chorus)

there's demons closing in on every side
They will _____ you
unless you change that _____ on your dial
Now is the time
for you and I to cuddle close _____
All through the night
I'll save you from the terror on the _____,

'Cause this is thriller, thriller night (repeats chorus)
