SEASONS AND WEATHER

★ **Complete the text with weather words. Use the first letter to help you.**

I'm from New York City, where the climate is very different in summer and winter. In winter it's always c*old* _____ and after Christmas it's usually [1]s _____ and [2]i _____ (from –12 °C to 0 °C). I like winter weather! Summer is very hot and humid, day and night. I don't like it! New York is quite [3]c _____ and [4]r _____ any time of the year – we've all got rain boots – but it's [5]s _____ 234 days of the year too. One problem is tropical storms. It's often [6]s _____ and [7]w _____ in autumn. Last year we even had tornados! And sometimes it's very [8]f _____ too, so you can't see the tall buildings.
