Birthday – restaurant – friends – play - ice cream – park

Hello,

Tomorrow is my _____. What shall I do? I'd like to go to a

_____ with you and my other friends. We could have pizza and

_____, but Mum and Dad say it's more fun to go to the park and

_____ basketball. I think going to the restaurant is better than going to

the _____ but I want everyone to enjoy my birthday. So I have

decided to ask all my _____ to choose. Then I can tell Mum and

Dad. What would you like to do tomorrow?

Please email back quickly. Thanks!
