Life in the past

"so"

The connector "SO" expresses CONSEQUENCE

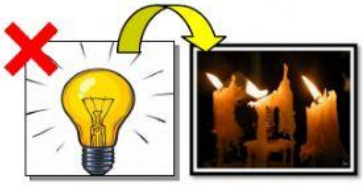
Example:

In the past, people didn't have cookers, so they cooked over open fires.

Write sentences using nouns and verbs from the word bank.

cell phones – washing machines – cars – electricity – CD players

so

(use)candles – (talk) face to face – (listen)to the gramophone – (travel) by carriages – (wash) clothes by hand


In the past people didn't have ,
so they .
