3. Answer the questions – full answers!

Hi! How are you doing? I'm great! My name is Fabiana. I am 35 years old. I'm not Argentinian, I'm from Canada. I'm a chef! My favourite meal is steak and salad.

This is my brother, he is 32. His name is Marian. He isn't a chef, he's a teacher. He teacher French. His hair is short and brown. He isn't slim, he's quite chubby. However, he is tall. He isn't lazy or boring. He's funny and outgoing!

We don't live together but we meet on Sundays. We often have lunch at 2 o'clock and then we watch a movie together. Later, we sometimes drink coffee and we eat cake. We never drink tea, we don't like it! Finally, we usually have dinner at half past nine. Then, I go home.
