2 Listen to the song. Number the verses in the correct order.

☐ Now spin the globe,
Spin it round fast
Look for your country
Did you see it go past?

☐ Do you know your address?
Can you write it down?
Can you find your street
On a map of the town?

☐ On a map of your country,
What can you see?
Is your city in the west,
In the north, or the east?

☐ We live in different places
All over the globe
But we're all people
We share the same world

(Chorus)
