AT THE NATURAL HISTORY MUSEUM

At the end of every summer term, our class goes on a school trip. This year we went to a natural history museum. We went by coach last week. There were twenty seven of us and two teachers. It was a great trip! There are many rooms in the museum. In the first room, we saw many fossils. There were fossils of plants, trees, birds and animals. In the second room, there was a replica of a woolly mammoth. There was a museum guide, who gave us lots of information. We asked many questions and she knew all the answers! In the morning, we visited five rooms and saw many things. At 12:30, we had our lunch. We brought packed lunches and ate them in a side room. In the afternoon, we had a talk by a professor. He talked about dinosaurs and he showed us some slides. He said some dinosaurs had feathers and some were very colourful. It was very interesting.
