Hello Marissa,

I hope you´re doing well. How is school going? These days I am visiting and enjoying the Capital of Ecuador, Quito. I´m having a great time in the Cultural city Loja. Actually, I´m writing email in the street.

Today, Quito´s People are celebrating Independence Day. It usually takes place at the beginning of December. On this day, people don´t go to work, they are working on line because of Corona Virus. They usually go to outside to watch the parade, eat a lot of typical food like "llapingachos", "chochos con cueritos". They´re singing and playing traditional music. Some people are traveling in a truck called "chiva". They´re singing and dancing.

Sorry, I have to go. Please say Hello to your brother and sister. I miss you very much.

Talk to you soon,
Ma. Lorena.
