Tell how to escape from your bedroom and from the kitchen.

From my bedroom go downstairs to the library. Turn right and go downstairs to the living room. From the living room go to the kitchen. The exit is in front of you. If the fire is in the kitchen, go out from the living room window.

Use some of these words:

exit	smoke	bedroom
turn left	crawl	living room
turn right	stairs	hall
door	lift	library
