The town of Kg. Gajah experienced the worse flood in thirty years.	e.g. **worst**
A flood was caused by heavy rainfall which lasted for a few weeks. As a	(a)
result, the water level on the river crossed the danger mark. On the fifth	(b)
day, the river burst it banks. About 250 families living in the area were	(c)
affect. The flood victims were evacuated to two schools which served as	(d)
relief centres. 150 families were taken into SMK Dusun, while the others	(e)
was placed in SK Tanjung. Many voluntary organisations and army	(f)
personnel help the victims a the relief centres. They were provided with	(g)
food, clothes or blankets. Meanwhile, St. John Ambulance Malaysia	(h)
whose was on standby, provided medical aid to those who were sick and	(i)
injured. Besides helping out in prepare food, the public also donated	(j)
generously to those affected by the flood.
