How to make a Hedgehog

1. **Download or draw the hedgehog on a cardstock**
2. **Use the scissors to cut out the hedgehog pattern**
3. **Add glue on the back of your hedgehog and glue it on a sheet of light blue cardstock.**
4. **Take a leaf sticker of foam and place it along the back of your hedgehog to create a pointed spine.**
5. **Continue adding stickers in layers inside the hedgehog body from top to bottom to make a 3D effect.**
6. **Glue a googly eye sticker**
7. **Glue a black wool for a nose and use a black marker to draw a cute hedgehog smile on your craft**
