Hi, my name is Robert. I come from a very sporty family. My mum and dad love water sports. My mum is good at windsurfing, but my dad isn't. He likes sailing and he can also play tennis well.

My twin sister, Sandy, and I both like basketball and swimming. She's got some new flippers and now she can swim very fast, much faster than me. But she can't play football. I'm really good at that. I think I'm the best player in our school football team!

Our younger brother, Thomas, doesn't like football. He plays ice hockey and he also rides his bike a lot. He's got a new and very expensive bike. Sandy and I like riding our bikes, too, but our bikes are quite old.
