3. **Lee el siguiente texto y responde las preguntas en ESPAÑOL.**

When a business enters into a relationship with a designer they must both agree a number of important items. The budget available is considered by the designer. The business has to take into account their internal resources required, as well as agreeing with the designer how any additional costs are handled. The designer should provide an estimate, but it has to be agreed whether this is a fixed price, an hourly rate or a 'price not to exceed' figure.

1 What considerations does the business have to take into account?

_____

2 What should a designer provide to the business?

_____

3 What are the three payment methods mentioned in the text?

_____
