Let her Go - Passenger

Well, you only need the _____ when it's burning low
Only miss the sun when it starts to _____
Only know you love her when you let her go

Only know you've been high when you're feeling low
Only hate the _____ when you're missing home
Only know you love her when you let her go

And you let her go

Staring at the bottom of your glass
_____ one day you'll make a dream last
But dreams come slow, and they go so fast

You see her when you close your eyes
Maybe one day, you'll _____ why
Everything you touch _____ dies

But you only need the _____ when it's burning low
Only miss the sun when it starts to _____
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go

_____ at the ceiling in the dark
Same old empty feeling in your heart
'Cause love comes slow, and it goes so fast

Well, you see her when you fall asleep
But never to _____ and never to keep
'Cause you loved her too much, and you dived too deep

Well, you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go

And you let her go
Oh, oh, mm, oh
And you let her go
Oh, oh, uh, uh
Well, you let her go
