MOVIE: Toy Story
SONG: You've Got A Friend In Me

Task 1. Choose the correct word.

You've get/got a friend in me
You've get/got a friend in me
When the road look/looks rough ahead
And you/you're miles and miles
From your nice warm bed
Just remember what you're/your old pal said

Boy, you've got a friend in me
You've got a friend in me [3X]

You've/You're got troubles, well I've got them too
There isn't anything /nothing I wouldn't do for you
We stick together/to each other and we see it through
You've got a friend in me
You've got a friend in me

Some other peoples/folks might be
A little bit smarter than/as I am
Bigger and stronger too
Maybe

But none of they/them will ever love you the way I do
It's me and you
And as the years go on/go by
Boy, our friendship will never die/to die
You're gonna see
It's hour/our destiny

You've got a friend in me [3X]
