All Star – Smash Mouth

Somebody _____ told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of _____ with her finger and her thumb
In the shape of an "L" on her forehead

Well the years start _____ and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make _____ not to live for fun
Your brain gets smart but your head gets dumb
So much to do, so much to see
So what's wrong with taking the _____ streets?
You'll never know if you don't go
You'll never _____ if you don't glow

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get _____
And all that glitters is gold
Only shooting stars break the mold

It's a cool place and they say it gets colder
You're bundled up now, wait 'til you get older
But the _____ men beg to differ
Judging by the hole in the satellite picture
The ice we skate is getting pretty thin
The water's _____ warm so you might as well swim
My world's on fire, how about yours?
That's the way I like it and I'll never get bored

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get _____
All that glitters is gold
Only shooting stars break the mold
