Who am I?

1. I go to many different cities and countries. I can be found above the clouds.

2. I studied a lot of math and science. I wear a special uniform.

3. I work in the cold. In the summer I use a skateboard or a surf board for practice.

4. I went to school to learn how to make people look old, scary and beautiful. I can be found on a movie set.

5. I keep my body healthy and strong. I compete in races. I have to learn 3 different sports.

6. I have a passion for animals. My main tool is my camera.
