
LIVEWORKSHEETS

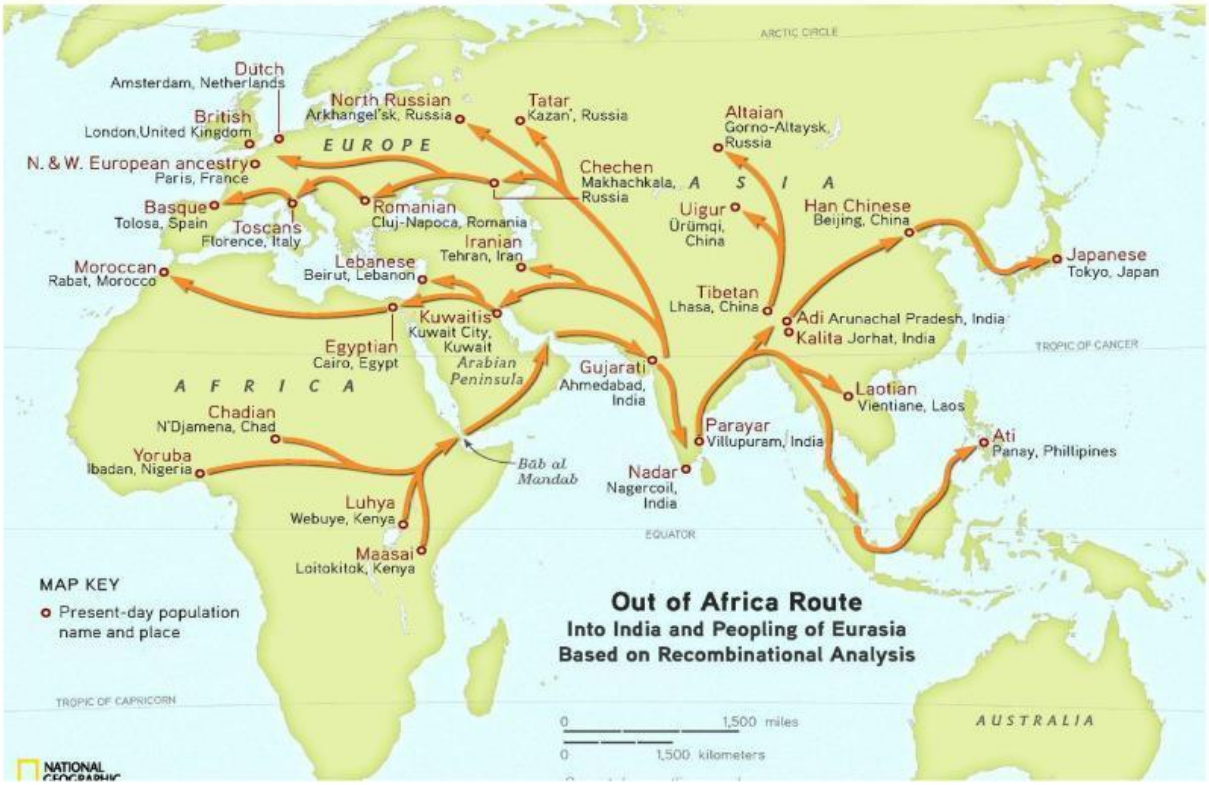
Hunter and Gatherers

Hunter/gatherer → group of people who get their food

hunt and fish

find it growing wild – edible fruits and nuts, seeds and roots

They do not grow any food. Also called NOMAD



LIVEWORKSHEETS

Fishing was done using spears, bow and arrow, nets, and even fish hooks. As time went on, some early humans build canoes and rafts to go out into deeper water to catch larger fish.

What did early humans use to fish?

_____

_____
