FORESHADOWING

Do not reveal but indicate what a reader can look forward to in your story.

E.g The day was swell and I was happy. Little did I know, something bad was waiting to happen.

Match the foreshadows

Little did I know	for the events that were about to unfold that day
Nothing could prepare me for	what fate had in store for me
Never in my wildest dreams did I	was waiting to happen to me.
If only I knew what	expect something bad was going to happen that day.
What would happen later that day	would change my perspective forever
